LE VISAGE 2 - THE FACE 2

Bonjour! C'est Rolo!

Today you can draw, colour and write about some portraits.
All the words you need are on your vocabulary pages. You
can do people you know or imaginary people. Here is an
example.

1. First you start
with the mask.

2. On it you draw
the hair.
**Il a les cheveux
noirs et frisés.**

3. Next you draw
on the eyes.
**Il a les yeux
petits et noirs.**

1, 2, 3 -
c'est facile!

If someone wears glasses put:
Il (elle) porte des lunettes.

elle = she
il = he

If someone has a beard put:
Il a une barbe.

_____ a les cheveux _____ et _____

_____ a les yeux _____ et _____

On this figure none of the parts of the body are in the right place except for **le cou** - the neck.

Draw a monster following the plan of this one. For example, you will draw a nose coming straight out from a heel and a mouth on the end of an arm!

See how you go - you might need to do it a couple of times to make him really scary!
